

For the **HG Series** we offer discounts based on the purchaser's level of training and on minimum order quantities.

The taller **A** Models should be used wherever possible. If, however, the installation space has a height restriction, the shorter **B** Model variants are also available.

| | HG Trained Installers | Non-HG Trained Installers/ Suppliers | Retail / End-Users |
|----------|-----------------------|--------------------------------------|--------------------|

| HG300B | £1,773.53 | £1,915.41 | £2,298.50 |
| Delivery | £90.00 | £90.00 | £90.00 |

Unless stated otherwise, in writing, before, or at the time of ordering, any orders that are placed or finalised, following the receipt of a written specification, quotation and/or diagram, will be taken as approval and confirmation that no amendments are necessary and that the specification and/or diagram perfectly describe the product that is required, with an adequate amount of detail and accuracy.

It is the customers responsibility to ensure that the correct item is being ordered and that it meets the exact requirements of its intended purpose. Newark Cylinders will not take any responsibility for incorrectly, or inaccurately ordered items. All of our products are manufactured to order and, as a result, we cannot accept returns unless the product is faulty or has not been manufactured to the agreed specification.
